

QMX GOLD APPOINTS DR. ANDREAS ROMPEL VICE PRESIDENT EXPLORATION

July 31, 2018 - QMX Gold Corporation (“QMX” or the “Company”) (TSX:V:QMX) is pleased to announce Dr. Andreas Rompel has joined as Vice President Exploration.

Dr. Rompel is a seasoned exploration professional with nearly three decades of exploration experience in a wide range of roles from VP Exploration and Project Manager to Country Manager and Corporate Development. Most recently, Dr. Rompel was the President & CEO of Cobalt Power Group. Dr. Rompel has also worked in a variety of commodities, including precious metals and base metals as well as coking coal and cobalt. For more than a decade Dr. Rompel evaluated capital projects within Anglo American and was on the board of Spectrem (an Anglo-American Company) as Technical Director. He has worked in many countries on several continents and has well developed multi-linguistic skills.

“We are thrilled to welcome Andy to the QMX team. Andy brings a broad range of experience and we believe his leadership will further complement our talented exploration team as we build on our recent successes in the heart of the Val d’Or mining camp,” commented Brad Humphrey, President and CEO of QMX Gold.

“I am very excited to join such an experienced team with such geologically interesting projects and anticipate moving the current targets to the next level of building a resource base,” writes Andy Rompel, looking forward to his new role.

David Rigg continues to be actively involved in all aspects of the business as Senior Vice President and Strategic Advisor.

Jules Riopel has resigned his position as Director of Exploration. The QMX Team wish him all the best in his future pursuits and thank him for his efforts moving our exploration activities forward since early 2017.

About QMX Gold Corporation

QMX Gold Corporation is a Canadian based resource company traded on the TSX-V under the symbol “QMX”. The Company has a strong balance sheet and is systematically exploring its extensive property position in the Val d’Or mining camp in the Abitibi District of Quebec. QMX is currently drilling in the Val d’Or East camp portion of its land package focused on the Bonnefond South Plug and in and around the Bevcon Intrusive. In addition to its extensive land package, QMX owns the Aurbel gold mill.

Cautionary Note Regarding Forward-Looking Information:

This press release contains or may be deemed to contain “forward-looking information” within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, statements regarding future plans, operations and activities, projected mineralization, timing of assay results, and the ability of the Company to continue as a going concern. Generally, forward-looking information can be identified by the use of forward-looking terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved”. Forward looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, its properties and/or its projects to be materially different from those expressed or implied by such forward-looking information, including but not limited to those risks described in the disclosure documents of the Company filed under the Company’s profile on SEDAR. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
